

# The Refugee Experience – Resources for Teachers

*A webinar collaboration between ACTA, the Refugee Council of Australia, ATESOL ACT and VicTESOL*

*‘Refugees’ describes the situation of people, but it doesn’t define who they are.  
Australia has many different refugee communities.  
Whether you are looking to learn more about refugees,  
you have a friend from that community,  
or you are teaching refugees and/or other students,  
the wealth of resources on the Refugee Council of Australia’s website  
is there for you.*

**Your guides will be  
Dorothy Hoddinott, AO, Ambassador No Child Left Behind Campaign 2020  
and Samuel Dariol from the Refugee Council**

**Wednesday 28th October 2020**

**7 - 8 pm AEDT**

**This webinar is free and open to *all* teachers but you *must* book to reserve a place.**
